

LEADERSHIP ASSESSMENT

Get the full picture for your most mission-critical talent decisions

- ✓ A strong basis for leadership hiring, development, and strategy decisions.
- ✓ Creates a full understanding of strengths, risks, and fit for your (potential) leaders.
- ✓ Driven by a team of experienced leadership experts.
- ✓ Based on Talogy's 75+ years of leadership assessment experience.
- ✓ Resulting in actionable, business-oriented insights.

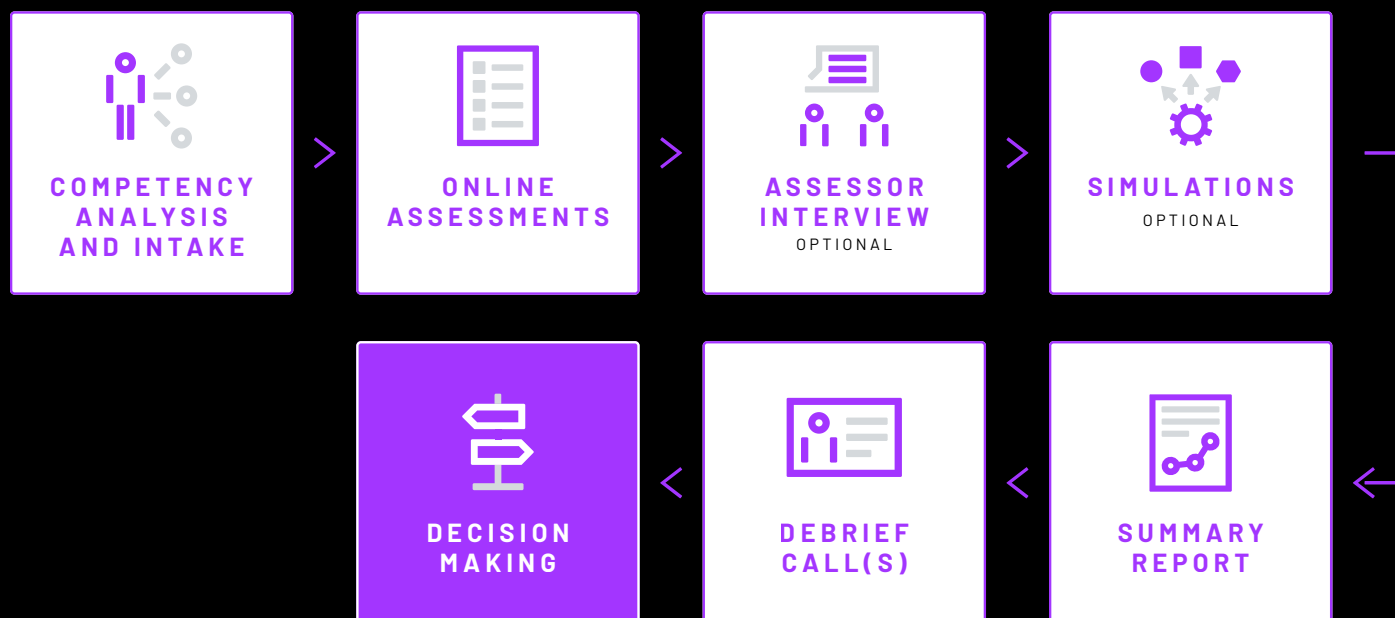

Talogy leadership assessment. Helping you confidently select, develop, and strategize for your critical leadership roles – from your managers to your CEO.

SOLUTIONS THAT FIT YOUR NEEDS

Combining science-driven assessments with rich experience, our experts work with you to create an assessment process that uncovers a wealth of meaningful insights. Ensuring a full understanding of your objectives from the start, we partner with you to create the right solution together - combining customization with efficiency. Always based on proven and innovative leadership assessment approaches, whether you work with our ready-to-use solutions or opt for a custom approach.

A TYPICAL LEADERSHIP ASSESSMENT PROCESS

OPTIMIZE YOUR SOLUTION WITH:

- Consulting services
- Analytics
- 360 feedback
- 1:1 or group coaching
- Development programs

Why Talogy

- Experienced senior assessors
- Portfolio of flexible and customizable talent assessments
- Proven track record with C-suite and senior leaders globally
- Strong product validity with applicable feedback
- Expertise of a boutique firm with global scalability

Leaders have a huge impact on their team's performance and motivation: research shows that 70% of how people feel at work is down to their direct manager. So effective leadership is really important not just for people wellbeing, but also for overall organizational effectiveness.

Jill Pennington

VP of International Consulting at Talogy
